APPLYING FOR TRADE CREDIT

You must submit a credit application through this website for the American Heart Association to determine if it will extend credit to your business for the purchase of our goods. As you complete the application, you will be asked to provide certain information about your business. Your application cannot be processed unless all of the requested information has been entered. Because your web browser will timeout if no information has been entered within a five minute period, you should gather all of the necessary information before beginning the application process. The required information includes:

- 1) your name and title, the legal name of your business and any other names your business uses, the date your business was established, the address, telephone number, fax number, email address, and federal tax identification number of your business;
- 2) the names and addresses of the principal owners or officers of your business;
- 3) trade reference information details;

Application processing may take up to 4 weeks.
