

ACLS Booster Purchase Guide

CPR & Emergency Cardiovascular Care

1. Visit www.heart.org/aclsbooster
2. Select "Purchase the ACLS Booster" to be directed to the purchasing web page: acls.trivie.com

ACLS Booster

The AHA ACLS Booster app was created to reinforce critical CPR and emergency cardiovascular care information in an effort to save more lives. The quiz-based application will feature different types of questions including scenarios, rhythm identification, pharmacology, and other topics to test your ACLS knowledge. Users can access the app online or through the mobile app.

The 2018 Resuscitation Education Scientific Statement marks the first time that cardiac specialists have applied education best practices to resuscitation training, offering consolidated guidance to CPR instructors, educators, and others who develop relevant content.

This statement highlights the importance of spaced learning and use of innovative educational strategies during resuscitation training. Shorter, more frequent training sessions have been proven to be more effective in retaining knowledge. Incorporating digital platforms and applying gamified learning can improve engagement and knowledge retention for students who have completed their ACLS training.

CPR & Emergency Cardiovascular Care

6. a. For US customers, fill out the required billing information. Select “Pay Now” to proceed.

The screenshot shows the ACLS BOOSTER purchase page. On the left, there is a form for entering billing information. The form includes fields for Street Address, City, State (a dropdown menu currently showing ALABAMA), and ZIP Code. A red button labeled "Pay Now" is positioned at the bottom right of the form, with a black arrow pointing to it. To the right of the form is a preview of the mobile app interface, which displays a list of topics and assessments. The app interface includes a header with the ACLS BOOSTER logo and a user profile section. The topics listed are CPR and Defibrillation (due in 4 days), General ACLS 1 (due in 4 days), and Rhythms (try again in 52 minutes). The assessments listed are Medication (due in 4 days) and General ACLS 2 (due in 4 days). At the bottom of the page, there is a copyright notice: "©2019 American Heart Association, Inc. All rights reserved. Unauthorized use prohibited. The American Heart Association is a qualified 501(c)(3) tax-exempt organization. Trivie and the Trivie logo are registered trademarks of Trivie, Inc."

- b. Fill out your payment information and click “Pay Now” to complete your purchase.

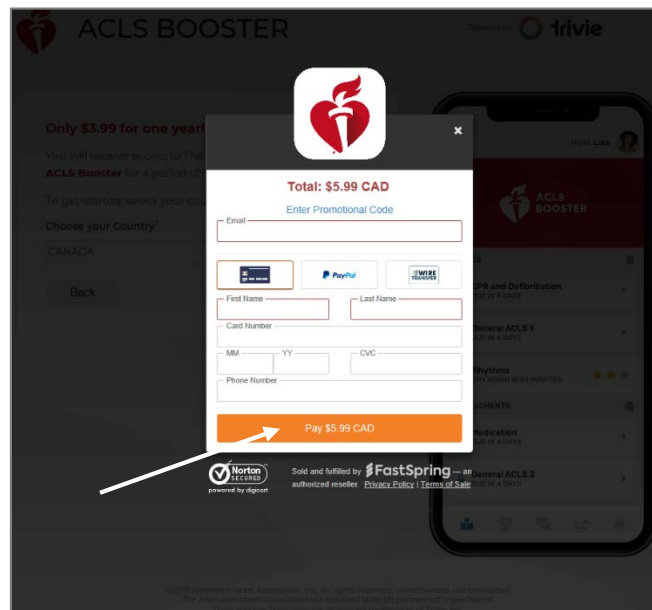

The screenshot shows the ACLS BOOSTER purchase page with the payment information form. The form displays the subtotal as \$3.99, tax as \$0.33, and total as \$4.32. Below the totals, there is a section for "Pay with credit or debit card" which includes a field for the card number, a dropdown menu for the card type (currently showing VISA), and a field for the expiration date (mm/yy). A yellow "Pay Now" button is located at the bottom of the payment form, with a black arrow pointing to it. To the right of the form is a preview of the mobile app interface, which is identical to the one shown in the previous screenshot. At the bottom of the page, there is a copyright notice: "©2019 American Heart Association, Inc. All rights reserved. Unauthorized use prohibited. The American Heart Association is a qualified 501(c)(3) tax-exempt organization. Trivie and the Trivie logo are registered trademarks of Trivie, Inc."
