

American
Heart
Association.

2020

**CPR & ECC
GUIDELINES**

Certificate of Completion

This certificate represents that

has successfully completed

including the **in-person skills** assessment.

Date of Completion

Instructor Name

Training Center/Training Site Name

Instructor ID Number

Training Center/Training Site ID Number

Authorized Signature

This certificate does not replace the American Heart Association course completion card. Instructors must issue a course completion card to participants who successfully complete an American Heart Association Heartsaver or Basic Life Support course. Instructors would issue the certificate verifying completion of an in-person skills assessment in addition to the course completion card.
