The main content area displays a list of Heartsaver courses:

- Heartsaver® Bloodborne Pathogens Online** Price: \$22.00 **PURCHASE**
This course teaches employees how to protect themselves and others from being exposed to blood or blood-containing materials. This course is designed to meet OSHA requirements for bloodborne pathogens training when paired with site-specific instruction. **Learn More >**
COURSE DETAILS CME/CE credits offered
- Heartsaver® First Aid Online** Price: \$20.00 **PURCHASE**
This self-directed course is designed to prepare students to provide first aid in a safe, timely, and effective manner and covers first aid basics, how to handle medical, injury and environmental emergencies and preventing illness and injury. **Learn More >**
COURSE DETAILS CME/CE credits offered Hands-On Session
- Heartsaver® CPR AED Online** Price: \$15.00 **PURCHASE**
This self-directed course is designed to prepare students to provide CPR and use an AED in a safe, timely, and effective manner. The skills learned in this course will help you recognize cardiac arrest, get emergency care on the way quickly, and help the person until more advanced care arrives to take over. **Learn More >**
COURSE DETAILS CME/CE credits offered Hands-On Session
- Heartsaver® First Aid CPR AED Online** Price: \$30.00 **PURCHASE**
This self-directed course is designed to prepare students to provide first aid, CPR, and use an automated external defibrillator (AED) in a safe, timely, and effective manner. It offers the basics of recognizing and administering first aid for the most common life-threatening emergencies. **Learn More >**
COURSE DETAILS CME/CE credits offered Hands-On Session
- Heartsaver® Pediatric First Aid CPR AED Online** Price: \$20.00 **PURCHASE**
A self-directed program that uses case-based scenarios and interactive lessons to teach child care providers and others to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives. **Learn More >**

Step 3: Select 'Launch Course' for the name of the Precourse Self-Assessment and/or Precourse Work provided to you in the student letter

***Note: Upon selecting 'Launch Course', you will be prompted to log in with an existing account or you will have the option to create a new one

ACLS Precourse Self-Assessment

LAUNCH THIS COURSE

The Advanced Cardiovascular Life Support (ACLS) Precourse Self-Assessment is an online tool that evaluates a student's knowledge before the course to determine their proficiency and identify any need for additional review and practice in 3 sections: rhythm recognition, pharmacology, and practical application. [Learn More »](#)

COURSE DETAILS

ACLS Precourse Self-Assessment and Precourse Work

LAUNCH THIS COURSE

The Advanced Cardiovascular Life Support (ACLS) Precourse Self-Assessment evaluates a student's knowledge before the course to evaluate proficiency and determine the need for additional review and practice. The ACLS Precourse Work involves a student reviewing course content through online videos before entering the classroom. The video lessons cover multiple medical subjects and each lesson includes questions to engage the student. [Learn More »](#)
